EXCLUSIVE FEATURES	BENEFITS	ADVANTAGES
Traditional Leather Appearance	Equileather has a low sheen look equal to the best grades of leather.	<ul style="list-style-type: none"> Looks great on the horse. Same grip as leather.
Soft Equisuede Knee Insert	Creates extra grip and comfort.	<ul style="list-style-type: none"> Rider feels more secure.
CAIR Air Panel	Saddle panel is thinner, resulting in rider being closer to the horse.	<ul style="list-style-type: none"> Enables better communication of seat aids
Adjustable Flexibloc System	Enables the rider to individually tailor their thigh and knee support.	<ul style="list-style-type: none"> Provides comfort and a more secure position for the rider.
Easy Care	Horse hair and dirt simply wipe off. Equileather requires little maintenance making the Wintec 500 the easiest saddle on the market to clean.	<ul style="list-style-type: none"> Saves time and hassle.
Durability	Equileather is extremely hardy and abrasion resistant making it ideal for heavy use in conditions which would otherwise damage a leather saddle.	<ul style="list-style-type: none"> Saddle stays looking good longer.
Weatherproof	Equileather repels water and sweat. It has a high UV resistance increasing its durability in warm climates.	<ul style="list-style-type: none"> Ride in all weather conditions.

WINTEC FEATURES	BENEFITS	ADVANTAGES
CAIR Panel System	Revolutionary new air panel system that evenly distributes weight across the entire length of the panel, virtually eliminating pressure points. CAIR air panels fluidly adjust with the horse's muscle movement.	<ul style="list-style-type: none"> Better performance & freer movement for the horse. Provides shock and impact absorption.
Easy Change Gullet System	Allows on-the-spot adjusting of the saddle to fit correctly over the horse's wither. Allows the rider to change the fit of the saddle to suit the horse's changing shape.	<ul style="list-style-type: none"> Saddle can be custom fit within minutes. Horse remains comfortable.
Wide Bearing Panel and Open Chamber	Comfortable panel fits snugly to the horse ensuring the rider's weight is evenly distributed across the horse's back.	<ul style="list-style-type: none"> Greater comfort for the horse.
Wintec Tree	Designed to be rigid in the head to maintain clearance of the horses wither, whilst also possessing lateral flex to work with the horse's muscular movement.	<ul style="list-style-type: none"> Provides a comfortable and healthy fit for the horse.
Flexible Tree Points	Extend the bearing area of the tree over the horse's shoulder and provide a gradual transition of pressure.	<ul style="list-style-type: none"> Allows the horse free shoulder movement and improves comfort.
Lifetime Guarantee on Wintec Tree	Wintec Trees are guaranteed for the lifetime of the saddle.	<ul style="list-style-type: none"> Assurance of quality.
